### Mother's Day Picnic!

Please join us on Thursday, May 11th for a special Mother's Day Celebration. Our class will be having an informal picnic on the grassy hill behind the classroom at 11:00 am to celebrate the women in our lives. Mothers, Grandmothers, Aunties, and Big Sisters are welcome to join us for singing and a special gift! Please bring a picnic blanket and a snack to share with your child.

**Bible Words:** "The Lord has done great things for us and we are filled with joy." Psalm 126:3

**Bible Story:** Jonah 1-4: Jonah and the Big Fish

**Family Activities:** What a fun time to go to the Sacramento Zoo. This would be a great follow up to our zoo unit. Visit Six Flags Discovery Kingdom. The Monterey Bay Aquarium is always great too! The aquarium has a fantastic hands-on area just for young children, and their children's bookstore is excellent. While you are near the coast, visit the beach. There is nothing better than digging in wet beach sand. Or just 10 minutes south, in Pacific Grove, go tide pooling at Asilomar State Beach. Local bookstores and libraries have story times that will be featuring these same animal and beach themes. You may wish to just go browsing with your child and check out some fun animal or beach books to read together.

### BEACH DAY!

We will be celebrating our last day of school with a Beach Day! Wear your swimsuit, shoes that can get wet and bring a beach towel.

We will enjoy a day of water, fun and sun! *Don't forget sunscreen!*
